

**Seismicity Report update****Wren Stenger** to: Sam Coleman, Bill Honker

08/23/2012 01:51 PM

From: Wren Stenger/R6/USEPA/US

To: Sam Coleman/R6/USEPA/US@EPA, "Bill Honker" <honker.william@epa.gov>,

History: This message has been replied to.

We heard today that Bob Perciasepe had approved the Seismicity Report and will now scheduled a couple of briefings with the White House. No information on when or with whom at this time.

Following the White House briefings, we believe R6 will be expected to coordinate Peer Review. After Peer Review, the SAB will be tasked to review the report.
